9<sup>th</sup> April 2010

Dear M4 & M5 parents,

### **Re: M5 Personal Project Presentation Day**

You are formally invited on Wednesday 14<sup>th</sup> April to the Personal Project presentation of the M5 students. The students have worked very hard to meet the requirements of the MYP by completing this culminating activity. They are very proud of the outcome and they would really appreciate it if their parents could be present on that day.

The day will begin with Open viewing of the Personal Project to the students of the campus and any parents who can make it. This will start at 10:35 , at 11:35, the students will start presenting their project to the audience.

After the official presentation, there will be another viewing from 15:05-16:30 when parents can come and take a look at the various projects and ask questions to the students.

On Tuesday 20<sup>th</sup> April there will be a presentation to the M4 parents at 18:30 pm in Room 16. This will be an opportunity for all parents to get acquainted to the personal project and be able to give the right support to the kids.

Looking forward to seeing you on that day.

With kind regards

Jaimala Quinlan  
MYP Coordinator
