

# The Primary Years Programme

A curriculum framework for international primary education.

## The Curriculum Corner

This term has been a short and busy term. With so many events happening towards the end of the term.

This final contribution for the term will focus on snapshots of "Internationalism" in our school.

### CARNIVAAL AT ISM

This was a fun event with the primary school marching around the school to the tune of our Music teacher Mr. Jones' M1 & M3 Percussion Band

### SWIMMING GALA

Last Friday our students portrayed their confidence in the water. The highlight was the clothes relay where students had to jump into the pool with clothes on, undress and exchange clothes with their partners. It was An enjoyable day for all.

P5/6 & KG piggy back race across the pool

### AWARDS

On the final day of the term special awards are given out in each class to students for outstanding achievements in each year level acknowledging their commitment and effort.

### D2 Art Exhibition (12th March)

The Primary students were very fortunate to have the opportunity to see the creative process in action and the final displays of art work produced by the D2 students.

In awe of a master piece as Ms. Barnett explains to KG.

### Student Led Conference

Students were in their element as they enjoyed showing their parents how Knowledgeable they were and applying their communication skills. Each child had an hour to share their learning with their parents.

Enjoy your holidays!
