

ISM REUNION WEEKEND

25th to 29th July, 2019

THURSDAY 25TH JULY

Welcome back to the mountain!

Meet your old friends and teachers as they arrive from Kili airport throughout the day. Delicious meals will be provided in the dining hall. Spend the afternoon settling back on campus and reliving your ISM experience. Take a walk down memory lane during our ISM campus tour. Let's end the day with a sizzling Nyama Choma by the pool, courtesy of Kakas.

FRIDAY 26TH JULY

Rise and shine in beautiful Moshi!

After breakfast, get to know your fellow ex-ISMs through some exciting ice breaker activities. Swimming games with Mr. Sabini will be available for children! Next, enjoy a welcome chat over snacks with our current campus heads. If you'd like to help out the local community, join us for a service trip off-campus. Alternatively, test your on-campus knowledge by competing in our ISM Scavenger Hunt. Next, spend the afternoon reconnecting with your former classmates over a picnic at the lower pitch. Later, join us for a scrumptious dinner at El Rancho followed by a reggae performance night!

SATURDAY 27TH JULY

It's time to go outdoors!

Before breakfast, participate in the ultimate ISM football tournament... if you dare. After breakfast, it's an outdoor extravaganza! Test your skills in our muddy tug-of-war challenge, sack races and other outdoor games. Following tea and snacks, we will offer an optional day and lunch trip to the breath-taking Marangu Waterfalls. Don't forget water, mosquito spray and a hat! Otherwise, enjoy a free afternoon in beautiful Moshi. Last but not least, get your best outfit ready for a gala dinner and dance.

SUNDAY 28TH JULY

Sunday Fun day!

After a quick breakfast, you may want to hop on the bus to Arusha National Park with an overnight camping trip at our ISM Arusha campus! Alternatively, test your ISM knowledge at our Moshi campus in our ultimate trivia quiz. Tennis matches will be available for children. Alternatively do your part by joining us for another community service trip. In the evening, indulge in the dining hall's delicious Swahili menu before final farewells at our reunion bar.

MONDAY 29TH JULY

For some, we bid you a warm farewell and safe journey home. For others, we invite you on one of our exclusive OP two-night camping trips. You may choose between Pangani House and a short Mount Kilimanjaro expedition. If these trips are of interest to you, please contact Mwegelo at alumni@ed.ismoshi.com so we have a better idea of numbers!

THANK YOU FOR COMING!
